Notification dated 18th August 1953.

Sealed tenders will be received in the Office of the Executive Engineer, Tumkur Division, Tumkur, up to 4 P.M. on Wednesday the 16th September 1953, for the following works.

2 Tenders should be on printed forms obtainable on payment of annas four only (0-4-0) per form, from the Office of the Executive Engineer, Tumkur Divition, Tumkur. Tenders not submitted on the prescribed form will be rejected.

3. Each tender should be accompanied with a treasury challan, duly certified, for having remitted into the treasury the prescribed earnest money under "Revenue Deposits". Tenders not accompanied with the earnest money challans will be rejected. No cash or cheques will be accepted. Any reference to any outstanding dues in the department, with a view for adjustment towards earnest money will be ignored.

4. The earnest money of unsuccessful tenderer will be refunded after the acceptance of any one of the tenders or after two months from the date of the tender whichever is earlier.

5 Specific rates should be quoted against each item of work in the abstract of quantities and the same should be clearly expressed in words and figures. Rates quoted should hold good for a period of one year even if the acceptance of the tender is delayed. Rates quoted by the successful tenderer should hold good during the full duration of the work and a specific clause to that effect will be incorporated in the agreement. Rates for non-tendered and non-estimated items of work, if executed, will be paid according to the prevailing schedule of rates or as per data worked out during execution. The rates quoted should be inclusive of sales-tax will be considered.

6. Every tenderer should furnish an income-tax clearance certificate along with the tender or at lease at the time of executing the agreement failing which his tender will be cancelled and his earnest money deposited will be forfeited.

7. The contractor shall be bound by the departmental rules in force in the matter of execution of work, arranging and aligning the work.

8. No conditional clause will be accepted.

9. The decision of the departmental officers of and above the rank of the Executive Engineer, in all matters of disputes as regards quality, quantity and rate for any item of work shall be final and legally binding.

10. The stipulated progress should be shown from the very commencement of work and failure to show the required progress will entail forfeiture of all dues from the department as well as imposition of penalty as the department may think fit.

11. The department reserves unto itself the right to reject any or all tenders without assigning any reason therefor.

12. Abstracts of approximate quantities are appended to the prescribed form. The quantities therein are only approximate and are likely to vary. The successful tenderer is bound to execute all items of work even if they are at variance with the quantities in the abstract.

13. The lowest tender for each item of work as noted under will be taken into account in deciding the tender.
